I would like to extend a warm welcome to all who are attending Big Camp 2014.

Last year our emphasis was on the invitation extended to all followers to grow together in Jesus, but this year we are looking at how we as individual members of Christ's church can be **Seeking, Sowing and Serving** the good news of a crucified, risen and soon to return saviour, into the lives of those who live around us.

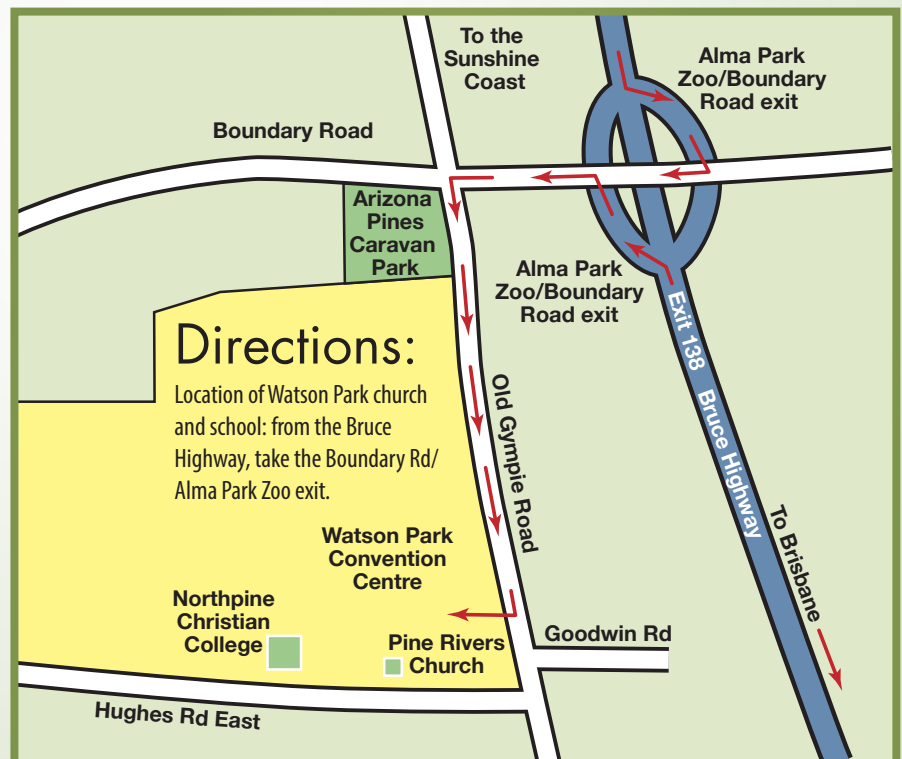

Each component involves intentionality. Healthy churches are made up of individuals who are on the lookout for opportunities to connect with others, and who are looking for ways and means to make friends and extend their circle of influence. Once the bridge of friendship is established it takes further intentionality to sow appropriate gospel seeds into their lives such as a listening ear, a kind word, a bible promise, a personal testimony, some reading material or a DVD. Similarly, serving you family, neighbours, and work colleagues also takes intentional time and planning.

And yet, if we are open and available to God at all times, he will bring people to us, and in the natural course of our conversation we will sow the eternal good news of Jesus Christ as we are impressed by the Holy Spirit.

It is my hope and prayer that you may be blessed, inspired and challenged so that when you return to your local churches, you can **Seek, Sow and Serve** those around

*Pastor Jorge Muñoz—President*

Please note that the first meeting is opening Sabbath worship for all the family in the Big Tent at 5:30 pm, Friday, September 19.

## KEYNOTE SPEAKERS

**Pr Wintley Phipps** was born in the West Indies and raised in Canada. He attended Kingsway College, a Christian Academy; Oakwood University in Huntsville, Alabama where he received a Bachelors of Arts Degree in Theology; and earned a Masters of Divinity Degree from Andrews University in Berrien Springs, Michigan. He also holds an honorary degree of Doctor of Humane Letters from Waynesburg University and an honorary Doctor of Laws degree from Oakwood University. Pr Phipps is married to the lovely Linda Diane Galloway Phipps (an RN) and they have been blessed with three fine sons: Wintley Augustus, II, Winston Adriel, and Wade Alexander.

Wintley Phipps is a pastor, world-renowned vocal artist, motivational speaker, and education activist. He is the founder, president and chief executive officer of the US Dream Academy, Inc., a national after-school program that aims to break the cycle of intergenerational incarceration by giving children the skills and vision necessary to lead productive and fulfilling lives.

Wintley Phipps served as senior pastor to several churches in the Washington, D.C. metropolitan area. He currently serves as the senior pastor of the Palm Bay Seventh-day Adventist Church in Florida. Pr Phipps has performed on *Saturday Night Live* as well as *Sunday Live* and has been the special guest on the Oprah Winfrey Show and CBS Nightwatch. Pr Phipps was nominated for Grammy Awards in 1988 and 1989. He is the author of *The Power of A Dream* (1996), *My Greatest Romance* (Love Notes to God) Volume I (2011), founder of *Songs of Freedom Publishing Company* and *Coral Records Recording Company*.

**Dr Kayle de Waal.** Dr Kayle de Waal is Senior Lecturer in New Testament at Avondale College of Higher Education. He has worked as a missionary teacher, pastor and evangelist in South Korea, South Africa and New Zealand. He earned his doctorate in theology from the University of Auckland. He has published a book and a number of articles in scholarly and popular journals. He is married to Charmaine and they have two children, Kerry and Chare'. He enjoys hanging out with his family, playing sport, going to the beach, reading and movies.

**Mr Herb Larsen,** Businessman Herb Larsen has made it his passion to lead the lost to Jesus. You will not want to miss hearing the dynamic stories, testimony and "how to" of a layman who has dedicated his life to evangelizing the "post-modern secular" for Jesus. In addition

to running his innovative engineering and manufacturing company, he also maintains a heavy international speaking schedule engaging in revival for many different denominations.

**Pr Japhet De Oliveira** currently serves as Senior Pastor for Boulder Seventh-day Adventist Church. Located in the heart of Colorado, Boulder is listed as a close second to the least religious city in the USA.

He recently served as University Chaplain at Andrews University from 12-13, leading faith development on campus for students and supporting faculty and staff. Also as Senior Pastor for the One Place community on Campus. He was an adjunct professor in youth ministry at the Seventh-day Adventist Theological Seminary. He is an energetic and innovative leader with a passion for young people.

Japhet was married in 1995 to the former Becky Crooker (currently pursuing her PhD in English Education, at the University of Western Michigan) and together they have two warrior sons - Joshua (13) and Jonah (9).

"At the end of the day when I look back on my life, I want to know that I served well, played hard, that my boys and wife are proud of me and that God inspired my leadership. Honestly, what more is there?"

**Pr Karyle Barnes** He likes music, food, traveling and trying adventurous activities. He enjoys playing basketball and American Football. His favourite Bible character is Joseph because of his love for God at a young age and his determination to follow God in the darkest times of his life.

**Pr Casey Wolverton** has lived on three continents, preached the gospel in five countries, and broken laws in at least ten. At twenty-seven years old he left his home country (USA) for Australia, began Newcastle Youth Church and married an Australian named Katie-Jane.

Today they have two daughters and a growing labradoodle family of over twenty dogs!

Casey is the pastor of the Glenvale Adventist Church, and loves sharing stories from the Bible. His other hobbies include traveling overseas.

**Dr Grenville Kent** is an Australian academic, film producer, author, and Christian communicator. He is the producer of Big Questions, a forthcoming documentary series examining faith, and the "10 Questions for God" series of booklets. He has earned a PhD from the University of

Manchester, England, and a D.Min from the Australian College of Theology, and teaches Cultural Apologetics (Arts/Theology) and Old Testament at the Wesley Institute in Sydney.

A popular presenter, Granville's speaking appointments have included men's conferences, theology congresses, camp meetings, and many others.

He is married to Carla; they have six children: Zoe, Marcus and Ethan, Thomas, Jeremy and Zara.

Pr Kent has authored dozens of articles, the "10 Questions for God" Bible study series, films, comic books (graphic novels), books, and book chapters.

**Dr John Hammond** retired in 2010 after a career

spanning 41 years of continuous service for the Seventh-day Adventist Church. During that time he has taught at primary, secondary and tertiary levels and been involved with the highest levels of church educational administration for 30 years. He considers that he has been greatly blest by God and been given

many wonderful opportunities in His service.

John is married to Sue and they have three married children and four grandchildren.

In 2006 John nearly died after breaking his neck and back and spent many months in hospital. After awaking from a long coma he was given an assurance by God that his work was not yet done.

John grew up in the mission field in Penang, Malaysia where his father was a doctor. He has also served as a missionary himself being principal of Fulton College in Fiji.

In his spare time, John has many speaking appointments and teaches when requested. He has undertaken some very long and lonely voyages into the remote centre of Australia and has learned to survive in very dangerous desert areas. As a hobby he makes quality knives and enjoys his workshop.
